

# Kaizen Robotics Program

## Course Completion Certificate

**UMESH R**

pursuing B.E/B.Tech Electronics and Communication Engineering at Sri Venkateswara College of Engineering has successfully completed the Kaizen Robotics Program conducted at IIT Madras Research Park between 29 January - 5 March 2017.

He was part of a team that successfully built these robots in the course

1. Simple Line Follower Robot
2. Obstacle Avoider Robot ( ATmega 16 )
3. Table Top Robot
4. Analog to Digital Conversion Based Robot
5. Pulse Width Modulated Robot
6. PC Controlled Robot

All the robots were built with Atmega16 microcontroller using Embedded C.
